

Challenge

A number with 8 ones is larger than a number with 5 ones.

Is Holly's statement always true, sometimes true or never true?
Explain your answer.

Think about ...

Think about numbers less than 10.

What about numbers greater than 10?

What if?

Is a number with 1 ten always smaller than a number with 2 tens?

When you've finished, turn to page 80.

Challenge

1 more is the same as adding 1, and 1 less is the same as subtracting 1.

Do you agree with Jake?
Explain your answer.

Think about ...

Think about counting on and back on a number line.

Is it the same for numbers larger than 10 as it is for numbers smaller than 10?

What if?

Is 2 more the same as adding 2, and 2 less the same as subtracting 2?

What about 10 more or 10 less? Is this the same as adding or subtracting 10?

Explain your answers.

When you've finished, turn to page 80.
