

Counting and ordering to 20

Compare and order numbers

Date: _____

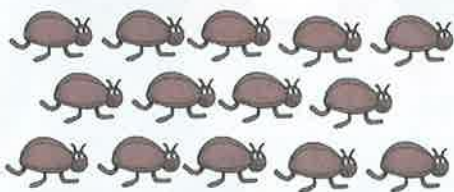

You will need:

- coloured pencils

- 1 more than 10
- 1 less than 20
- 1 more than 6
- 1 less than 14
- more than 5 but less than 10
- more than 10 but less than 20

Teacher's notes

Children colour six different flowers on the number track to match the descriptions, one for each description. Then they count the objects in each set at the bottom of the page and write the number.
