

## Habitat Acrostic Poem

### Task 1

Use your own knowledge or the internet to help you find some suitable rhyming words for these words. You will be able to use this in your own habitat acrostic poem.

**Rhyming words**

tree	floor	swing
jumble	swim	wood
sea	sky	fast

**Extra challenge! Find rhyming words that have different phonemes! tree / flea**

### Task 2

Use the internet or books you may have at home to research a *habitat* or *Planet Earth*. This will help you be able to write your very own acrostic poem based around your choice of habitat. Remember the more relevant facts you collect the more useful it will become for when you start to write your acrostic poem. Jot these amazing facts into your books.
