

## The Penguin Who Wanted to Find Out

*Read the last four chapters of the book and then answer the following questions in full sentences.*

1. What is the name of the new friend Otto makes in Chapter 5?
2. How is the life of Otto's new friend similar or different to his own?
3. Who is Justin and what is the link between him and Otto?
4. Look at page 55. How do we know that Justin is quite old? Use evidence from the text to support your answer.
5. How did Otto deal with Nap? Explain why you think it worked.
6. Who tells Otto that he is ready to go to the sea? How do they know that he is ready?
7. Look at pages 67 and 68. Write down two reasons why Otto and Josie like each other.
8. Look at page 75. What was the last thing Otto did to help the younger chicks when they reached the sea? Find and write out the sentence that tells you why he did it.
9. By the end of the story, what four things could Otto do that he couldn't at the beginning?
10. What have you learnt about the lives of penguins from reading this story? (You could write about their habitat, feeding habits, parenting and development.)

### Extra Challenge

1. On page 61, Leo said to Alex:

*"It takes just as long to grow up whether you hatch early or late."*

In your own words, explain what you think Leo means by this.

2. How does the author choose to end each chapter? Why do you think she does this?

3. Read the following statement:

*Penguins are completely different to humans.*

Do you agree or disagree? Explain your answer as fully as you can.
