

MILESTONES

Week 2

27th April

YOUR JOURNEY

Imagine your life as a journey. What would the road be like? What stops have you made on the way? Where are you trying to get to?

YOUR TASK

On the biggest piece of paper you can find, draw the road map of your life so far.

Highlight important events and milestones along the way – you could present them as service stations, bus stops, whatever you like!

Events could include – birth, christening, starting school, family celebrations

Identify	Key events from your life so far. Look through old photo albums and talk to your family about the “good ol’ times”
Apply	Apply your understanding from RE lessons this year to consider religious celebrations to mark key points in a young person’s life
Evaluate	We need to appreciate that everyone’s lives are different for any number of reasons. Diversity is a Fundamental British Value
Create	Be creative and inventive in how you present your journey

SUCCESS CRITERIA
