**SOUTH FARNHAM SCHOOL**  
MENIN WAY FARNHAM SURREY GU9 8DY  
Telephone 01252 716155 Fax 01252 718260  
E-mail: [info.southfarnham@sfet.org.uk](mailto:info.southfarnham@sfet.org.uk) [www.south-farnham.surrey.sch.uk](http://www.south-farnham.surrey.sch.uk)

Dear Parents,

I hope you will find this prospectus informative and useful in discovering what makes South Farnham School such a special place to be.

Education is a vitally important process and it is right that you should try to find out more about the opportunities and resources that are available for your children. I fully understand that choosing a school for your child is one of the most important decisions you will make. I hope that you will want to visit South Farnham School to see the school, talk to the children and staff and experience first-hand the excellent facilities and outstanding learning environment that we offer all our children. We are committed to providing the highest quality care and education for your child; our teachers strive to deliver outstanding lessons which will stimulate and engage your child, and ultimately, foster a life-long love of learning. Underpinning this philosophy is the importance of each child's wellbeing and our first class pastoral care which recognises that, for a child to achieve their educational potential, they must feel safe, happy and valued at school.

Ofsted ranked the school as 'Outstanding' for the fourth time in a row in June 2012 commenting that pupils are given a rich and exciting programme of activities and tasks, matched accurately to their needs.

*'The curriculum is second to none in the opportunities it offers the pupils to learn, explore and develop their talents. While the key skills of literacy and numeracy are at the heart of the curriculum, there are exceptional opportunities for pupils to develop their talents in such fields as music, art, drama and sport. These very effectively promote their spiritual, moral, social and cultural development, and provide memories that will stay with the pupils for life.'*

As you read through this brochure I trust that what will unfold is an indication of the philosophy of our school. You will see that our concern for children means providing them with a stable, secure and disciplined environment, where academic, personal and social potential may be achieved in preparation for the journey into the adult world.

I would very much like to meet you and would be delighted to show you around the school.

Yours sincerely

Miss Esther Headteacher

## **SOUTH FARNHAM SCHOOL BACKGROUND**

South Farnham School stands on two sites lying, as its name suggests, south of Farnham. The infants are taught in School Lane and the juniors in Menin Way.

South Farnham is a primary school taking pupils in the age range 4 to 11. We currently have 849 children on roll. They come from a variety of local schools. Parents are able to state a preference for this school for their child irrespective of where they live unless the school is oversubscribed. Most of the children move on to Weydon School, when they leave at 11 years of age, although once again parents have the right to choose any secondary school. We maintain close contact with all local Secondary providers to preserve continuity in our children's education.

### **Juniors 7 – 11**

South Farnham (7-11) was built to a high standard in 1938 as a girls' Grammar School and has been significantly modified for younger children in recent years. The accommodation includes 5 libraries, a multi media suite and 6 art rooms. There is an assembly hall, two dance/drama studios, gymnasium, cloakrooms and changing rooms. The 7 acres of play area include 3 multi-use games areas, grassed sports fields and a pavilion.

In September 2000 South Farnham became a Beacon School, which meant that following a rigorous programme of inspection, the school was asked by the government to share good practice with other schools and teachers to help to raise national standards in education. Following the end of this national initiative, South Farnham School has continued to support schools across the country and to take a leading role in national developments. In 2009 we became a National Support School and in 2011 a National Teaching School. For many years we have been one of the highest performing schools in the country and nationally recognised as a leading edge school.

### **Infants 4 - 7**

The original Victorian school building dates from 1875. Significant extensions have been added over the last 12 years including a new hall which was completed in 2014. The school currently incorporates 9 classrooms, a library, several small rooms for group work, and a large studio used for dance, drama etc. Assemblies and activities such as P.E. and music are held in the new hall, which is also used at lunchtimes. School meals are freshly cooked on the premises.

The school has extensive grounds which include a dedicated Early Years play area, a large multi-use games area, an adventure playground, a grassed playing field and a Sensory Garden. There is also a small produce garden where the children can grow vegetables. We have an outdoor heated swimming pool, which is safely fenced off beside the multi-use games area, and this is used for lessons during the summer term.

## ETHOS, VALUES AND AIMS

We aim to help our children, with the co-operation of their parents, to

- develop into happy and confident individuals with a secure foundation in learning that will last throughout their lives.
- develop lively and enquiring minds through knowledge with understanding.
- establish a command of the subjects contained in the National Curriculum.
- value and understand religious and moral beliefs and develop a respect for the views of others.
- understand something of the world in which we live with regard for our mutual dependence on others as individuals, groups and nations.
- appreciate human achievements and aspirations.

We try to do this by providing

- a school environment in which they can enjoy developing their mental and physical abilities.
- whole school and individual staff professional development which ensures the highest quality of teaching and learning.
- opportunities to work with other children and adults in a friendly atmosphere and so develop social skills in co-operating with each other.
- an environment that vigorously pursues excellence.

We have wider aims to

- play our part in raising national standards in education through sharing good practice with other schools and teachers across the country.
- take a leading role in national initiatives and be in the forefront of educational thinking.

## **CURRICULUM**

The curriculum is balanced and broadly based. It consists of all the activities designed or encouraged in the school to develop intellectual, personal, social and physical activities in the children. It includes not only the formal programme of lessons, but also the 'informal' programme of extra-curricular activities as well as the features which produce the school's ethos, such as equality of opportunity, the values shown in the way the school sets about its task and the way in which it is organised and managed.

The curriculum is planned by the staff and governors. The National Curriculum provides a necessary framework and ensures continuity throughout the child's school life. The curriculum detail forms the most important element in the School Improvement Plan, which in turn covers all aspects of school life.

Our teaching is child-centred in that our pupils are central to all our planning. We have high expectations of our children. They have already learned a great deal so we start with what is familiar and, using practical activities wherever possible, extend this knowledge. We aim to interest the children, even excite them, so that they want to learn and enjoy their new skills. Success is a firm foundation for future learning and we show due appreciation of their successes.

Within the class our children are grouped according to their abilities in the different fields. Our planning is detailed, inclusive and differentiated to meet all pupils' talents, skills and abilities.

### **Class Organisation**

Each year group is organised under the direction of a Leader who, in collaboration with the Head and Deputy Head, oversees the curriculum. Every class in each year covers a similar curriculum – but will have individual delivery depending on teacher personality and class needs. The work is aimed at covering the appropriate attainment targets which are detailed in the National Curriculum.

### **Curriculum Leaders**

Each class teacher is able to teach a broad curriculum including the core subjects. They are supported by the use of specialist curriculum Leaders who are able to advise and work alongside colleagues within the classroom. Specialist help and advice are also available from supporting consultants, Advisory Teachers and other School Improvement Advisors.

### **Teaching Assistants**

We employ a number of teaching assistants to help and support the work of the class teacher. Teaching assistants help with both individual children and groups; they assist with the general supervision of the children and learning activities. They provide invaluable help to the class teacher and are a very welcome addition to our team. All teaching assistants undergo a rigorous training programme and many continue this into a higher level teacher training programme and onto Teacher Training.

## **Computing**

The school has an extensive range of ICT resources including its purpose built Multi Media room. Each junior class has a weekly teaching session in the Multi Media room and a further range of computers within the classrooms extend the use of ICT across the curriculum. There is a whole school network providing Internet access via a wideband connection to all areas of the school.

## **Sex and Relationships Education**

Sex education is taught in every year. The children are led gently to a deeper understanding of all the issues involved in this subject according to their level of maturity. The programme of work incorporates knowledge, attitudes and behaviour. All aspects of sex education require close co-operation between home and school and parents are informed in advance when sex education is to be taught. The school has a written policy on sex and relationship education, available on request from the school office.

## **Religious Education**

The R.E. syllabus is in accordance with the Surrey Handbook for Religious Education in Surrey Schools. Parents are reminded of their right to withdraw their children from all or part of the religious education and collective worship provided. This should be discussed with the Headteacher.

## **Music**

We have splendid music facilities and all children have weekly music sessions. The responsibility for the planning of the curriculum lies with the Music Consultant who is able to support colleagues when needed. We have a flourishing school orchestra and choir which give regular concerts not only in school but also in the wider community. A variety of music tuition is available from our instrumental teachers, and at present over 200 children receive tuition. Details of tuition possibilities are available from the school office and notice board.

## **English**

Our English curriculum encompasses the essential skills of communication through spoken language, reading and writing. Children explore a wide range of texts and learn about the creation of characters, setting and plot and how to write in a range of genres. They are taught about how to read for information and we have extensive library facilities where children can develop a love of books and reading for pleasure.

## **Mathematics**

Mathematics is taught, whenever possible, in the context of children's life experiences. A range of skills are learned and a variety of strategies developed so that children become proficient in and enjoy the manipulation of numbers and shapes. Opportunities are given to develop problem-solving skills which can be applied and used across the spectrum of mathematics.

## **Extra-Curricular Activities**

Many activities and clubs take place at lunchtime and at the end of the normal school day. At present a choice of over 50 out-of-school activities is available including cookery, dance, Spanish, singing, netball, football, cross-country, pottery and chess. We are always seeking to extend the range and variety of experiences that we can offer our children and if you are able to help in any way then we will be very pleased to hear from you.

## **School Visits**

We take every opportunity to explore our local environment both within the school grounds and beyond. These educational activities and visits give the children valuable first-hand experience and expand their world. The cost of school visits within the school day is met by the school. However, we do ask for voluntary contributions whenever these trips take place. If there are insufficient contributions then the trip may have to be cancelled.

## **School Records**

There are two main reasons for keeping records on children. Firstly it is important that the school has facts concerning the child, e.g. who they are, how old, where they live and who is their guardian. Secondly we need to record how and what each child has learned so that teachers know where to start with new pupils and have records which show the progress of a child through the school. We can then make sure that parents are reliably informed. The records are 'confidential' and are not open documents which can be consulted by anyone. They are confidential to the school and to 'entitled' and 'responsible' persons. 'Entitled' persons are in general the parents or guardians, and 'responsible' persons would include the Head of another school where admission is sought or a transfer has taken place. If you wish to see your child's record please write to the Headteacher.

## **Special Needs**

From time to time many children will need special help either to overcome a learning difficulty or to ensure that the curriculum fully extends their abilities. Specialist help is available within the school. Our Special Needs Co-ordinator oversees the work of a team of teachers and classroom assistants who support and advise the classroom teacher. They work with small groups and monitor the progress of children. Additional help is available when appropriate from Educational Psychologists and the other outside support agencies, including those with particular regard for looked after children.

## **The More Able Child**

Our school policy is to identify through clear curriculum guidelines those children who have outstanding abilities. Opportunities are given for children to develop their specific skills or talents right across the curriculum. Parents are always closely involved in all aspects of this special provision. The school is a member of the National Association for Able Children in Education and employs a teacher with special responsibility for the more able.

## **Discipline**

It is our aim to promote a sense of self discipline and proper regard for authority. Problems of discipline in the day to day life of the children are normally a matter of discussion with a child to improve behaviour. However, in the event of persistent trouble or serious difficulties the child's parents would be consulted with the aim of developing a joint approach to the problem. In the unlikely event that it is considered necessary to exclude a child, it would be done strictly in accordance with the procedure laid down by The Academy Trust.

## 2018-19 END OF KEY STAGE 1 RESULTS

We are delighted with our 2018-19 End of Key Stage 2 Results for both the statutory externally marked tests and also of Teacher Assessment. These are the last validation results.

The following tables show the percentage of Year 2 pupils (90 children) at South Farnham School achieving the expected standard in 2019.

	South Farnham School Test Results	South Farnham School Teacher Assessment
Reading	100%	97% 57% at greater depth
Mathematics	100%	98% 41% at greater depth
Writing (Teacher Assessment only)		96% 43% at greater depth
Science (Teacher Assessment only)		100%

*Provisional 2019 KS1 assessment data. (Unvalidated to be confirmed December 2019)*

### **Our OFSTED inspection stated that:**

*"This remarkable school is highly successful in achieving its aim 'the continual pursuit of excellence'....In addition to securing and surpassing the high targets for standards and achievement, they provide excellent facilities and opportunities for pupils to realise their talents in music, dance and drama."*

## 2018-19 END OF KEY STAGE 2 RESULTS

We are delighted with our 2018-19 End of Key Stage 2 Results for both the statutory externally marked tests and also of Teacher Assessment. These are the last validation results.

The following tables show the percentage of Year 6 pupils (136 children) at South Farnham School achieving the expected standard in 2019 compared to national average.

	National Test Results	South Farnham School Test Results	South Farnham School Teacher Assessment
Reading	73%	99.3%	
English Grammar, Punctuation, Vocabulary and Spelling	78%	100%	
Mathematics	79%	100%	
Writing	78%	100%	100%
Science (Teacher Assessment only)			100%

National percentage of pupils who achieved the expected standard in Mathematics, Reading and Writing	South Farnham School percentage of pupils who achieved the expected standard Mathematics, Reading and Writing
65%	99.3%

**Our OFSTED inspection stated that:** *"This remarkable school is highly successful in achieving its aim 'the continual pursuit of excellence'....In addition to securing and surpassing the high targets for standards and achievement, they provide excellent facilities and opportunities for pupils to realise their talents in music, dance and drama."*

## HOME & SCHOOL PARTNERSHIP

### **Open Door Policy**

We have an open door policy and you are always welcome to visit the school but since schools could attract unwelcome visitors, **it is essential that you call at the school office first**. If you wish to see the Headteacher to discuss any school matter it is helpful if you first make an appointment.

If you have concerns or worries about any aspect of your child's education do not hesitate to get in touch with your child's class teacher or the Headteacher. We usually resolve difficulties through informal meetings but, if necessary, there are formal complaint procedures available at the school office.

We welcome parents at school assemblies, particularly those at which their children are involved.

### **Liaison with Parents**

Teachers are normally available immediately before and after school, but we would advise you to telephone the school office beforehand to ensure that the teacher has no previous commitment. It is also helpful if you can let us know the reason for your visit so that the teacher can prepare appropriately.

We also like to meet parents regularly to discuss your child's progress. Consultation evenings are held each term. Children's work is then displayed and class teachers are available to meet parents. Time is necessarily brief on these evenings so if you need a longer discussion please arrange to come and see the teacher at another time. Wherever possible appointments for meetings with your child's teacher will be made at a time to suit you. However, the best time to have a meaningful conversation would be after 3.05pm at the Infants or 3.30pm at the Juniors when we can devote more time to you.

Parents receive a regular newsletter giving information about school dates and activities. Comprehensive information is also available on the school website: **[www.south-farnham.surrey.sch.uk](http://www.south-farnham.surrey.sch.uk)**

### **Holidays**

Absences from school other than for illness or other educationally approved reasons will be 'unauthorised' and will appear on a child's record accordingly. In accordance with The Education (Pupil Registration)(England) (Amendment) Regulations 2013, requests for leave of absence are treated sympathetically, but only in exceptional circumstances can they be approved. The policy of Surrey County Council to which this school has agreed, states that parents who take their child out of school for five days or more during term time, without the authority of the Headteacher, will each be liable to receive a penalty notice. Penalty Notices will be issued by the Local Authority.

## **Home-School Agreement**

At South Farnham School we recognise the crucial role that parents play in helping their children learn and we firmly believe that children achieve more when school and parents work together. Parents can contribute more effectively if they know what the school is trying to achieve and how they can help. Together with parents and Governors we have written a Home-School Agreement which provides the framework for such a partnership and which outlines the roles and responsibilities of both home and school. Each child's parents are asked to sign the agreement when their child starts at our school. We give a full written report annually.

## **Homework**

Working at home helps a child to develop positive study skills and habits that will serve them well throughout life. It encourages a child to use their time wisely and also teaches them to take responsibility for their work.

We want our pupils to look forward to each school day and recognise that homework encourages independent working. A child can actively develop the habit of working away from school and understand that learning does not only happen within school.

From their first term the children are encouraged to take work home. This will include online activities on Mathletics and Spellodrome as well as project work provided by their teacher. As the children progress through the school, the amount of homework will increase and tasks will become more varied. The children will have a homework book with details of homework set and you are asked to sign that it has been attempted.

If you have any concerns about the amount or type of homework please contact the class teacher as it is important that parents and teachers work together to ensure a constructive experience.

## **Parent Helpers**

We are always pleased to discuss the possibility of parents helping within the school. We consider that it is valuable for the children to meet a variety of adults with whom they can work and share experiences. At any time many parents are involved in school activities on a voluntary basis, working with groups of children under the close guidance and control of the class teachers. Activities in which parents are involved include hearing children read, cooking, French conversation practice, art and craft work, science, music and after school clubs.

## **Parents' and Friends' Association**

The school enjoys two active Parents' and Friends' Associations that organise regular fund raising and social activities. There is no membership fee, and all parents with children on the school roll are automatically members.

An Annual General Meeting is held in October of each year at which elections to the committee are held and nominations for new members to the committee are welcomed.

### **Child Care – South Farnham School**

To help parents who are unable to collect their children at the end of the day we operate an After-School Care Facility at both our Infant and Junior sites. Children are cared for by responsible adults between 3.05pm and 5.30pm at the Infant site and 3.30pm and 6.00pm at the Junior site, thus relieving parents of the need to find child minders etc.

We also operate a Breakfast Club at both sites for those parents who may require an early start for their family. Again children are cared for by responsible adults. This facility runs from 8.00am at the Infant Site and 7.45am at the Junior site.

A modest charge is made for these facilities and the funds generated are invested in the educational facilities within the school, for the benefit of all children. Booking and payment is made using the online Parent Pay system. Details are available from the school office.

### **South Farnham School Trust**

The school operates a Charitable Trust which exists so that parents and others can donate money to the school in a tax-efficient manner. Many parents feel that this way of contributing to their children's education presents an ideal alternative when they are unable to offer practical help in other ways.

The introduction of the Government's Gift Aid scheme enables the school to reclaim tax on donations from tax paying parents who have signed a declaration. If you are interested in the Trust and how it works please contact the school office.

## **GENERAL INFORMATION**

### **Admissions**

We admit children to the Infants in the September after their fourth birthday. Additionally, we admit a further 46 children in the September after their seventh birthday.

Whenever possible we like children to visit the school before they are admitted, to get to know the building and the staff with whom they will be working. In the Summer Term of each year children due to join us in September visit us for part of the school day, and their parents also make a visit. Our staff visit most of the local Nurseries and all partner Infant Schools to discuss the children due to transfer and we also co-operate closely with staff from local Secondary Schools to ensure a smooth transition to the next stage of education.

Admissions are made in accordance with the Admission Policy which is summarised on page 24 of this brochure.

### **Charging and Remissions**

Education provided at a maintained school for its registered pupils should be free of charge if it takes place wholly or mainly during the school hours. There are exceptions to this general rule and from time to time parents may be asked to make voluntary contributions for school trips etc. A copy of the Governors' Charging and Remissions Policy is available in the school office.

### **Safeguarding**

South Farnham School is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. We have a Child Protection Policy and procedures in place that are available upon request. Sometimes we may need to share information and work in partnership with other agencies when there are concerns about a child's welfare.

### **Inclusion**

South Farnham School is committed to a policy of inclusion for all members of the school community irrespective of social background, culture, race, gender, differences in ability and disabilities (in accordance with the Disability Discrimination Act 1995 and the Sex Discrimination Act 1975).

We are committed to promoting racial equality and good race relations across all areas of school life including curriculum, teaching and learning, progress, attainment and assessment, admissions, attendance, behaviour, discipline and exclusions, pupils' personal development and pastoral care, staff recruitment and professional development, membership of the governing body, partnerships with parents and community.

## **Disability and Accessibility**

We assess all children when they enter the school and seek to integrate them into the school with due regard to their individual needs, the school facilities and the needs of the whole school community. Further details are available from the school office.

## **Community Cohesion**

Children are encouraged to think of themselves as part of the community. Aims of the school include understanding something of the world we live in with regard for our mutual dependence on others as individuals, groups and nations and to appreciate human achievements and aspirations. We promote community cohesion at many different levels: within school, within the local community, across the UK and globally.

## **Teaching Hours**

We teach approximately 21 hours per week at the Infants and 24 hours per week at the Juniors reflecting the age ranges of the children. These include religious education but exclude the statutory daily act of collective worship, registration and breaks (including lunch).

## **Uniform**

The school colours are royal blue and gold. Sweatshirts, fleeces, cardigans, T-shirts, polo-shirts, ties, shorts, P.E. and book bags are available on-line from our website or can be ordered from the school office.

### *Items of Clothing:*

- Royal blue sweatshirt or cardigan
- Junior: Blue shirt and school tie
- Infant: White polo shirt
- Grey trousers, shorts, skirt or pinafore dress
- Grey or white socks, grey or blue tights
- Blue and white shirtwaister style dress (checked or striped)
- Black school shoes
- trainers are not permitted
- open-toed sandals are not permitted for health and safety reasons
- *Sportswear:* Blue shorts, white or 'South Farnham' T-shirt/polo shirt

**Please** make sure your child's name is on school clothing.

## **School Meals**

Infant meals are currently free and Junior meals currently cost £2.35 per day. The meals are cooked on the premises at each school and there is a good variety of dishes. You are very welcome to have lunch with your child. Please make an

arrangement through the school office. If you want your child to stop having school meals, please write to the school office at least one week in advance.

Junior meals are paid for in advance on the first day of each week but may also be paid half-termly or termly. Payment should be made using the online Parent Pay system. Absences will, of course, be credited. If you think you qualify for free Junior meals please get in touch with the school office.

### **Packed Lunch**

Facilities are available in school for children to eat a packed lunch. Food must be brought in plastic, non-breakable containers which are clearly marked with the child's name and should be taken home every day. Due to possible allergies we request that no nuts or nut products are brought into school.

The school kitchen can provide packed lunches for all children going on school visits.

### **Medical**

From time to time the school nurse visits the school as a general measure to promote good health. We also have a number of trained first-aiders on our staff to look after minor mishaps.

After absence for medical reasons, if the doctor says your child may return to school but must continue to take medicine, please either bring the medicine yourself or send a letter to accompany it and complete the school medical form. We cannot guarantee to give your child medicine at a particular time and, if this is essential, it would be better for your child to stay at home.

Please telephone, email or write:

- a. If your child is absent for any reason.
- b. If your child has an appointment with the hospital, dentist, doctor etc.
- c. If, on a particular occasion, you require your child to come home during the school day.

We also need a letter if you do not wish your child to participate in Games or P.E. Please make sure that any emergency contact numbers are available to the school. We hope you understand why we cannot rely on verbal messages on any matter.

### **Security**

The Governors have regularly reviewed the procedures relating to school security and have taken advice from the Police Crime Prevention Officer. Procedures have been established to deal with situations should they arise.

### **Valuables**

No jewellery may be worn in school including all types of earrings. Children wearing ear studs will not be able to take part in any P.E. activity. Watches should be marked with your child's name.

## **Mobile Phones**

An increasing number of children are bringing their mobile phones to school. As a school we discourage this but understand that some parents wish them to have their phones in case of emergencies walking to and from school.

We regularly teach the children about e-safety but ask that parents talk to their children about the appropriate use of text messages/group chat out of school, and monitor the child's use of all devices as they can often cause upset.

## **Sporting Aims**

Our aim in Physical Education is to help the children learn more about their bodies through a programme of sporting fitness incorporating gymnastics, dance and games. A full competitive sporting programme has been developed with children from all years encouraged to take part at whatever level they can. A positive social attitude towards team games is fostered enabling the children to understand the importance of teamwork and co-operation.

In the last school year more than 80 competitive games were played with over 400 children taking part.

Competitive games played are football, netball, hockey, athletics, rounders, swimming, cricket, floor ball, cross country and rugby.

We have had a number of individual and team sporting successes in recent years and are currently holders of the following titles:

<b>Football</b>	Year 5 boys Tournament winners, Year 5 boys Aldershot FC's 7 a-side football Tournament winners, Year 6 girls Tournament semi-finalists, Year 3 football festival.
<b>Netball</b>	League winners. Attended County Finals. Year 5 Tournament, 2 <sup>nd</sup> Place.
<b>Cross Country</b>	Farnham & District Primary Schools: Autumn event – 3 trophies (boys, girls and overall). Summer event – 2 trophies (girls and overall).
<b>Rugby</b>	Farnham and Ash Primary Schools' Sports Association Rugby Festival, first overall. Years 3 and 4 attended a mixed tag rugby Tournament, 3 <sup>rd</sup> and 4 <sup>th</sup> place.
<b>District Sports</b>	Winners in the Boys Relay, Girls Relay and Field Events. Overall Winners.
<b>Gymnastics</b>	Farnham and Ash District Primary Schools' Gymnastics Competition, 2 <sup>nd</sup> place in floor routine, 3 <sup>rd</sup> in vault, 2 <sup>nd</sup> overall.

<b>Swimming</b>	Farnham and District Primary Schools Gala, 1 <sup>st</sup> place overall
<b>Hockey</b>	Farnham and District Hockey Competition: participants
<b>Floorball</b>	League participants

## **LOCATION & PARKING**

**Infant**

The school is situated in School Lane, Lower Bourne. A drop-off system, organised by parents, for those arriving by car is in operation from 8.45 until 9.00am.

### **Junior**

The school is situated in Menin Way, which lies between Tilford Road and Waverley Lane. Menin Way is a narrow, residential road in which parking is difficult at any time and particularly so at the beginning and end of the school day. Because we are concerned about the safety of our children, we would ask parents to follow this advice:

- **walk all or part of your journey. This is good for mental and physical wellbeing as well as the environment.**
- **share cars whenever possible**
- **when dropping or picking up children park on the school side of the road**
- **make sure that children alight or enter cars from the pavement**
- **most importantly, respect the zig-zag markings by the school entrance. Please do not stop on or opposite the markings even to drop children off or to pick up waiting children**
- **our school car park should not be used as a drop-off or pick-up point. However, it may be used during the day between 9.15am and 3.00pm and in the evening**

We also ask that you do not park in the entrance to the Phyllis Tuckwell Memorial Hospice, which is located at the Waverley Lane end of Menin Way.

**PUBLIC ACCESS TO DOCUMENTS & INFORMATION IN SCHOOL**

You are most welcome to view any of our curriculum statements and schemes of work together with curriculum documents supplied by the LA and DfE but please make an appointment through the school office.
