

My favourite song

For this piece of homework, you will need to choose your favourite song or piece of music. Once you have listened to your music tell us a little bit more about the song you have chosen.

- What is your song called?

- Who is it performed by?

- Can you tell us what genre of music it is? (pop, rock, classical...)

- When was your music written/performed? Is it a new song or has it been around for a long time?

- What instruments can you hear being played in your song?

- The tempo of a piece of music is the speed of the underlying beat. Is the tempo of your music fast or slow?

- Songs can make you feel different emotions. Some songs make you feel happy or excited, while others make you feel sad or scared. How does your song make you feel?
