

# What have the Romans done for us?

This term we have been learning about the Romans. Using what we have learnt in school, as well as your own research, create an information leaflet which answers the question: *“How have the Romans affected our lives today?”*

You should include answers to at least 4 of the following questions:

- What part did they play in the literature we read?
- How much modern architecture do we owe to the Romans?
- How did the Romans affect the language we speak?
- Did the Romans inspire the modern art we have today?
- How did the Romans affect the towns we live in?
- How did the Romans affect how we travel around the UK?
- What impact did the Romans have on the houses we live in today?
- Did the Romans affect the way we do maths? How?

- Did the Romans create laws that we still use today?

Your leaflet should include pictures and you should include evidence to support your research.
