# Muhammad (peace be upon him)

Who was Muhammad?

# **Can you remember the story?**

1. He noticed that the rich people of the city were very greedy and that the poorer people had very little but did not seem to complain.
2. He often went into the mountains in the outskirts of Mecca and meditated there. One night, on Mount Hira, he had a vision. An angel came to him carrying words on a cloth. He was asked to recite the words. Muhammed said that he could not read but the angel insisted and he found that he was able to understand the words.

3) When Muhammad told his wife that he had received words from Allah, she believed him. Many people that he told afterwards did not believe him and he became unpopular.

4) Muhammad was however invited to Medina where the people welcomed his teachings.

5) His journey to Medina is called Hijra which means 'departure'.

6) Muslims think that this is very important because it is from this time that Islam began to be accepted.

*The Muslim calendar begins from the date at which Muhammad arrived in Medina and the years are numbered AH which means, 'the year of the Hijra'.*
