

Name: _____ Date: _____

Pear pairs

Make connections between arrays, number patterns and counting in 2s

You will need:

- scissors
- glue

2 lots of 2 make

3 lots of 2 make

4 lots of 2 make

5 lots of 2 make

6 lots of 2 make

7 lots of 2 make

Teacher's notes

Children cut out the multiples of 2 from the bottom of the sheet. They then look at each section and count in twos to find the total number of pears in each. Finally, they glue the corresponding number into the space next to the set of pears.
