

Glossary match

Match glossary words to definitions.

The words below are all in a book about marathon races.

1 Cut them out and sort them into alphabetical order.

charity	Ancient Greeks	Olympic Games
sweat	goody bag	kilometre

2 Cut out the definitions below and match them to the correct words.

an international sports competition held every four years in different cities in the world

drops of salty water that come through your skin when you are very hot

a bag filled with small presents or sweets

people who lived in or near Greece long ago, between about 1000BC and 146BC

a distance of 1000 metres

giving help, such as money or food to people who need it

3 With a partner, think why each of these words would be included in a book about marathon races.
