

Project Two: History

To introduce ourselves to the Vikings

Part One: Find out some information about the Vikings and record this in your book:

- Find out what year they came to England?
- Explain where they came from? And why they came.
- Discover what sort of people the Vikings were and what they looked like.
- Decide if they were more or less brutal than the Anglo-Saxons.

You can use one of the following links (or your own research) to find out this information:

- <https://www.bbc.co.uk/bitesize/topics/ztyr9j6/articles/zicxwty>
- <https://www.natgeokids.com/uk/tag/vikings/>
- <https://www.britannica.com/topic/Viking-people>

Part Two: Using the below resources create your own Viking Longboat. Once you have created your longboat take a photo of it and send it to our school email address.
