

Habitat Poetry

Animal Acrostic

1. Where does the salamander sleep?
2. Can you describe what the earthworms are like? What does it mean?
3. What does it mean to reign over a dark, secret world?
4. What does it mean to deposit eggs?

Animal Homes

5. Which four places can animals be found?
6. Can you find a rhyming couplet?
7. Can you explain why the animals might need to be away from harm?
8. What feature has been used in 'tucked in a tree trunk' and why do you think the author has used it?
9. How does the poem make you feel, does it remind you of anything?
