

## Habitat Acrostic Poem

Hungry hedgehogs always munching  
Angry caterpillars crawling cowardly  
Bi-coloured rock snake slithers stealthily  
Interesting iguana isolates his fearsome prey  
Terrifying tigers stalk from dawn till dusk  
Arachnids scuttle purposefully  
Tiresome turtles swim steadily

Remember:

- The letter that starts each sentence, must spell out what you are writing about.
- Rhyme
- Repetition
- Alliteration
- Adjectives and Adverbs
- Metaphors and similes
