# Would you rather?

Solve problems involving percentages

Work out the answer to each of these 'Would you rather...?' problems. Show your working out.

a Would you rather have 10% of £5 or 75% of 80p?

b Would you rather have 60% of 2 pizzas or 25% of 3 pizzas?

c Would you rather be bitten by 15% of 120 bugs or 10% of 250 bugs?

d Would you rather eat a piece of liquorice that is 55% of 110 cm or 85% of 270 cm?

e Would you rather sit in a traffic jam for 35% of 2 hours or 45% of 1 hour and 40 minutes?
