

History Task

To reflect on the historical knowledge gained this year and in previous years.

Your task is to create a History quiz or game, using all the knowledge you have gained over the years.

You may want to base your quiz or game on a concept that already exists like 'Who wants to be a Millionaire' and 'Trivial Pursuit' or you may want to use your imagination and create your own style of quiz or game!

It's up to you which areas of History that you want to focus on – just make sure that the facts that you are using are accurate! It would be a good idea to have a brainstorm of lots of different facts you can remember before you get started.

You might want to focus on the History you have learnt this year:

- Islamic Civilisation
- The Victorians
- World War I and World War II

Or you might want to also include the History you have learnt in previous years:

- The Tudors
- The Vikings
- The Anglo Saxons
- The Romans
- Ancient Greece
- The Ancient Egyptians
- The Stone Age
