

Pictures

Explains what the whole piece of text is about

Heading

Includes **causal** (then, because, as a result) and **time** (first, then, next)

Paragraphs

These support the explanation and help the reader picture what is being described.

Conjunctions

The text is grouped and split into these.

Captions

Written in the present tense (are, turns, happens)

Tense

Might go above paragraphs to show the reader what each section is about.

Bullet Points

Explains generally what the topic is about.

Sub-titles

Split a section of text into small pieces so that it's easier to read.

Specialised  
Vocabulary

Use words that are specific to your subject. You might need a glossary to explain them.

Introduction

Explain what a picture of diagram is showing.
