

## To draft and edit part of a school prospectus.

### Challenge 1

Describe to parents all the different facilities we have at South Farnham School.

### Challenge 2

Write one or two sections of a school prospectus.

(You don't *have* to write about South Farnham School – you could imagine a school set in the past, present or future!)

### Challenge 3

Write a mission statement from the Headteacher to be published at the front of a school prospectus.

It should include information about the aims and values of your school. (Remember, it doesn't *have* to be South Farnham School. Use your imagination!)
