Option 1 – Design a card

- Design a card for the ceremony of initiation or belonging. Consider the symbols used on the front of the card. What would an appropriate message be for the inside?

Option 2 – Create an initiation ceremony

- Create your own initiation ceremony of 'Belonging' into school. Consider what the main message would be and how people would be welcomed into your community.

Plenary

- Why might someone choose to be Baptised like Jesus?
- How did the artwork we saw at the beginning of the lesson help you?
