

Use the planner below to create your animal. Think about the following:

- What is your animal called?
- What type of animal is it?
- Is it a mammal, amphibian, insect or bird?

<p>Where does your creature live? Is it hot or cold? Dry or wet?</p>	<p>What does it eat?</p>	
<p>Is it a predator or prey? Does it have clever ways of hunting or keeping safe?</p>	<p>Does it have skin, feathers or scales? Why?</p>	
<p>Draw your creature here.</p>		<p>How does your creature move? Wings? Legs?</p>
