

## Goodnight Mr Tom Week 3

1. Why did Willie find it difficult to walk in his new boots?
2. “Sunlight streamed into the church and through the stained glass windows, and a smell of fresh grass and flowers permeated the air. A bird chirped intermittently outside. P’haps heaven is like this, thought Willie to himself”.

How different was this impression of the church to the one William previously had?

3. After the declaration of war, how did the villagers ‘play their part’?
4. Write a set of instructions for building an Anderson shelter.
5. Why did Willie keep his jersey on and what did Tom do to avoid any embarrassment?
