Dear Parent,

You will be aware that we wish to extend our library to create improved facilities for the children at the Infant School. We have applied for planning permission and it is to be considered at a planning meeting on 6th January.

It would be really helpful if you could view the application (details below) and, if you consider it to be appropriate, please send an email or letter to the planning authority in support of the application.

Please help if you can. You may do it all online.

Application reference number: WA / 2015 / 1861
