15th September 2016

Dear Parents,

Please find enclosed details of our extra-curricular clubs that are offered during the Autumn Term at lunch time and after school.

We are delighted to be able to offer a wide variety of clubs and hope that you and your children will have pleasure in selecting the ones that appeal. Rather than charge an individual amount for each club session, there will be one charge of £32 for attending a club during eight weeks of the Autumn term. Clubs will commence the week beginning 26th September, up to and including the week beginning 28th November. **Please note there will be no clubs during the week beginning 17th October because of the scheduled parent consultation evenings, or during the week commencing 24th October as it is half term.**

You will see the days and dates on which the club you are selecting is running and the charge takes into account that your child may not attend a session because of a Bank Holiday, residential / day trip or other unavoidable reason.

Numbers for clubs are limited and application should be made using the Parent Pay system on a **first come first served basis** and Parent Pay will be activating the clubs on our behalf. The activation will start at 5pm on Wednesday 21st September and may take up to 30 minutes until the process is complete. A few places may be reserved for parents that do not have access to a computer. If you need to apply for a place in this way please collect a paper application form from the office. Please note that application via paper form into the office **does not** guarantee acceptance into any club.

To allow as many children as possible to try a range of clubs, we would request that, in the first instance, you limit the number of clubs applied for to 3 per child. There will be free access to any remaining spaces on the afternoon of Friday 23rd September.

In order not to disadvantage those parents wishing to pay by childcare vouchers, it will be necessary this term to apply online in the same manner as everyone else. Please make your payment for your chosen club/s via credit or debit card to secure the space/s. Once we receive details of your childcare voucher payment, we will refund your original payment.

All after-school clubs finish at 4.05pm and your child will be taken to the reception area for collection.

The children really enjoy choosing from the extensive range of activities on offer and they can gain a great deal from them not only in terms of skills learned but also from mixing with children beyond their class and year group. Please take the time with your child to choose carefully as no refunds can be given in the event of you or your child deciding to discontinue attendance. We do hope your child will enjoy his or her chosen activities.

Yours sincerely,

Claire Donnachie
