Dear Parents,

10th January 2022

Please find enclosed details of our extra-curricular clubs that are offered during the Autumn Term after school.

We are delighted to be able to offer a wide variety of clubs and hope that you and your children will have pleasure in selecting the ones that appeal. Rather than charge an individual amount for each club session, there will be one charge of £40 for attending a club during eight weeks of the Autumn term. The only exception to this is Cookery Club which is priced at £48 to cover the cost of ingredients. Clubs will commence the week beginning **17th January**, up to and including the week beginning **14th March**. You will see the days and dates on which the club you are selecting is running and the charge takes into account that your child will attend every session.

We will also be providing tuition on Mondays after school. Term time tuition will run for 8 sessions beginning on Monday **17th January**, and ending on Monday **14th March**. The cost for the tuition will be **£80**.

Numbers for clubs are limited and application should be made using the Parent Pay system on a **first come first served basis** and Parent Pay will be activating the clubs on our behalf. The activation will start at **5pm on Wednesday 12th January** and may take up to 30 minutes until the process is complete. A minimum of 5 children is needed for a club to run. In order not to disadvantage those parents wishing to pay by childcare vouchers, it will be necessary this term to apply online in the same manner as everyone else. Please make your payment for your chosen club/s via credit or debit card to secure the space/s. Once we receive details of your childcare voucher payment, we will refund your original payment.

All after-school clubs finish at 4.15pm and your child will be taken to the double gates for collection. If you are not available to collect him/her from school at this time they will be booked into the After-School Care facility to ensure appropriate supervision and a fee will be payable.

The children really enjoy choosing from the extensive range of activities on offer and they can gain a great deal from them not only in terms of skills learned but also from mixing with children beyond their class and year group. Please take the time with your child to choose carefully as no refunds can be given in the event of you or your child deciding to discontinue attendance. We do hope your child will enjoy his or her chosen activities.

Yours sincerely,

Esther Whitbourn
