Dear Parents,

Autumn Term 2018 Events for Year 5

As part of the study of Life in Tudor Times, a visit to the Mary Rose in Portsmouth has been arranged on the following days:

Monday 8 October Classes 5F and 5J
Tuesday 9 October Classes 5R and 5T

The children will visit the Mary Rose museum and experience two hands on sessions. The first will be in the Upper Deck Gallery where they will discover life as a Tudor Gunner. The second is in the science lab where they will examine artefacts and materials from the Mary Rose. The children will need a packed lunch (those having school meals will be provided with one by the caterer), no bottles or cans please. If you would prefer to provide your own packed lunch please indicate on the consent form. School uniform will be worn and children will need a waterproof coat. A small rucksack is also required. If you would like your child to take part in this trip please would you complete and return the attached consent form which should be returned to your child's class teacher.

We are very pleased to be welcoming a Jewish rabbi to the school on **Friday 21 September** to provide a hands-on workshop for children in Year 5. The visit forms part of the R.E. curriculum and provides a wonderful opportunity for the children to further their knowledge and understanding of the Jewish faith.

As part of the workshop, children will be taught about the Jewish autumn festivals, including Rosh Hashanah and be given the chance to taste some traditional challah (a harvest bread) and honey cake. Each of these items may contain traces of nuts.

I am delighted to be able to let you know that this year we have managed to book the large mobile Planetarium for the children in Year 5 on **Wednesday 26 September**. This workshop will take place all day in the Gym and the children will have the opportunity, one class at a time to learn all about the Solar System, gazing at the stars within a celestial dome.

We would be pleased to receive a voluntary donation of £24 towards the cost of this term's activities. We would prefer to receive all contributions for trips and activities online via Parent Pay that can be accessed through the school website.

Yours sincerely,

Mr Andrew Friend
Year 5 Co-ordinator
