6 September 2019

Dear Parents,

We are aware that many of the current Year Five are already able to swim and that others may just be starting to learn. Therefore, to aid the planning of swimming lessons, we would appreciate it if you could fill in the questionnaire below. It does not need to be fully accurate as the initial swimming session will involve assessing the swimming abilities of each pupil. Teaching a child to swim and develop confidence in the water can take time. Therefore, if your child is a non-swimmer, we would suggest that you take him/her swimming as much as possible. This will enable the child to gain the most benefit from the school lessons.

Thank you for your time in completing the questionnaire. It would be very helpful for our planning if it could be returned by Wednesday 11 September.

Yours sincerely,

Mr Andrew Friend
Year 5 Co-ordinator
